Пояснительная записка

Описание дисциплины/модуля	The distinctive feature of the subject programmers' is that they are focused on forming not only subject knowledge, but also a wide range of skills. The system of learning objectives is based on the following core values: Kazakhstani patriotism and civil responsibility respect cooperation work and creativity transparency lifelong learning. The English curriculum aims to provide opportunities for learners to communicate effectively with different audiences. It will achieve this aim through frequent opportunities in the school environment for interaction with peers, teachers and visitors, and through interactive tasks which involve informal and formal spoken and written presentations. There will also be a focus on out-of-school interaction with learners communicating online and face-to face with speakers of English from other cultures
Формируемые компетенции	Through the study of English learners will understand: 1) how English works and rules related to language learning. 2) how to deal with a wide range of global and curricular topics both receptively and productively. 3) both gist and detailed information in unsupported, extended written texts, talks and narratives. 4) how to use a wide range of subject specific vocabulary when developing an argument. 5) learners will be able to: 6) understand a wide range of fiction of unfamiliar vocabulary from the context. 7) speak with an appropriate level of fluency, accuracy, word stress, intonation and formality. •8)interact with peers to hypothesis' and give opinions, comments and answers useful for learners hoping
Пререквизиты	The systematization of the units has an interdisciplinary connection with professional educational programs of the specialty: Russian language, Kazakh language, geography, world history, cultural studies, the foundations of political science and sociology
Постреквизиты	The English curriculum aims to develop learners who gain the high B2 level of language skills through the following: 1) varied tasks which foster analysis, evaluation and creative thinking; 2) exposure to a wide variety of spoken and written sources; 3) stimulating and challenging subject matter.
